

Commercial Microwaves: R23AM Extra Heavy Duty Oven 1900W

A truly versatile microwave oven should not only be reliable, efficient and robust, but also easy to operate /This is Why Sharp designed the R23AM, with a simple electronic dial control operation to ensure consistent cooking every time.

R23AM Extra Heavy Duty Oven
 Built to last, easy to clean and equipped with a large 20 litre cavity, this professional microwave oven is a popular choice for a variety of businesses, including event caterers, takeaways, bakeries and coffee shops.

The powerful R23AM offers a simplistic electronic dial control operation, perfect for cooking diverse menus, and with its unique defrost facility and twin stirrers it is ideal for reheating curries, chillies and cooking pre-prepared meals to perfection. Additionally, the R23AM allows two units to be stacked one on top of the other, offering increased flexibility when output increases.

ELECTRONIC DIAL CONTROL OPERATION ALLOWS PERFECT COOKING FOR EVEN DIVERSE MENUS
